OFF MY CHEST - Jimmie Monroe, Executive Secretary.

Remember that we are going to the Grand Bahamas? In the last issue it was said that the trip would not be limited to members. I believe this should be changed.

Suppose for instance you know a couple that would like to go on the trip with you. Perhaps they are very good friends of yours. Would you not like to get them to join the AHS also? This might be the way to get them into the fold. And afterall, what is $5.00 a year when one considers the saving they would enjoy in making the trip with us.

Let's ask the board of directors to make a ruling on this and ask them to require at least one membership per family for those that make the trip with us.
